8th GRADE Universal's Gradventure FIELD TRIP

As a part of the eighth grade curriculum integration,
we will be taking a field trip to Universal's Gradventure on Friday, May 8, 2020.

Schedule: Students will stay after school to ride charter busses leaving at 4:30pm. We will be returning to school by 1:00 a.m. (barring any traffic delays.) Parents will need to pick up their children at school at that time. (Please be at school rather than waiting for your child to call you.)

Cost: A fee of \$120 is due by Wednesday, March 11th, to cover each student's admission to the park and bus ride. **No passes** are allowed for this field trip as it is a special event

Scholarship Donations: This should be a great 8th grade field trip. However, because of the magnitude, it is more expensive than some field trips in the past. **If you would like to make a donation to help those unable to attend for financial reasons, you may include that donation with your child's fee as well.**

Cancellations: Due to the requirement of advanced reservations and booking, this fee is non-refundable after March 13th. REFUNDS CANNOT BE GIVEN even to students who miss the trip due to tardiness or absence. These special-event tickets are good only for May 8th. All students and chaperones will ride the bus to and from the park. No exceptions will be made.

Dinner/Snacks: Each person attending the trip will receive one meal voucher, which includes an entrée, optional side, and one drink. Each person will be responsible for bringing money for his or her own snacks.

Behavior: Students should remember that even off campus they are still representing Maitland Middle School and should act in accordance to our code of conduct.

Please return the permission slip with your money to your Science teacher by Wednesday, March 11th. Permission slips and money will not be accepted late.

We look forward to an enjoyable day!
