ACADEMIC COURSE SELECTION

Each student is required to take four academic core classes each year: Language Arts, Math, Science and Social Studies. For the 2020-2021 school year, students will be placed in advanced, standard, and/or high school level classes by their counselor based on a variety of data provided by Orange County Public Schools. Some of these data points include two-year previous FSA performance, middle school GPA, and academic history. Any student that scores a Level 1 or 2 on the FSA Reading and/or Math may be scheduled in a yearlong literacy course and/or Intensive Math class in place of an elective.

ELECTIVE COURSE SELECTION (ALL STUDENTS WILL TAKE PHYSICAL EDUCATION)

Please number your elective classes from 1-8 in order of preference (1 being the most preferred class, 8 being the least). Make sure to number 8 classes. Selection of courses *does not guarantee placement*.

Parent Acknowledgement

I acknowledge that I have discussed the course selections with my child and confirm the information provided on this form. I also understand that my child's core courses will be selected by their school counselor based on data provided by Orange County Public Schools or by my child's previously attended school. Questions can be directed to my child's school counselor.

For 7th grade students, if your last name begins with A-L, your counselor is Mr. Singer. For students with last names M-Z, your counselor is Ms. Yergey. To reach Mr. Singer, please email Randon.Singer@ocps.net. To reach Ms. Yergey, please email Louise.Yergey@ocps.net
