

**If you'd like to check the status of your library and textbook obligations:**

1. Sign in to Launchpad.
2. Select the Library Research Tools folder.
3. Select the Follett Destiny icon.
4. Click on the "hamburger icon" (the three lines on the top left) and select **Fines**.

If you owe fines to ANY schools in OCPS, it will show there. If you are showing missing books and know that you have those materials at home, bring them in and I will return them to the appropriate school via courier. In many cases, returning the book, will delete the fine.

Fines can be paid online via <https://www.schoolpay.com/> for **amounts larger than \$1.00**. You can bring in your online receipt and Ms. Delaney will clear out your fine(s) in Destiny.

Thank you for being responsible and taking care of your fines and obligations.
